

**Average number of research papers published per teacher in the Journals notified on UGC -CARE list in the UGC website/Scopus/ Web of Science/ PubMed**
**2022-23**

Sl.no	Publication Title	Author-name	Journal-name
1	Ranula And Its Management – A Case Report.	Chunduri Nagendra Srinivas	Global Journal for Research Analysis
2	Ranula And Its Management – A Case Report.	Anita D	Global Journal for Research Analysis
3	Ranula And Its Management – A Case Report.	Mohd Yousuf Qureshi	Global Journal for Research Analysis
4	3D-Printed Ergonomically Designed Feeding Aid for Patients with Limited Manual Dexterity	Tejaswini P.S.S	Cureus
5	Management of Comminuted Fracture Of Mandible Using Titanium Mes	Tejaswini P.S.S	Cureus
6	Research and therapeutic applications of silk proteins in cancer	Kranti Kiran Reddy Ealla	Journal of Biomaterials Applications
7	Full mouth Rehabilitation of completely edentulous patient using all on 4 technique -a case report	Satheesh Simha Reddy	International Journal of scientific development and reserch
8	Full mouth rehabilitation of completely edentulous patient using all on 4 technique -a case report	Santoshi Kumari.V	International Journal of scientific development and reserch
9	Full mouth rehabilitation of completely edentulous patient using all on 4 technique -a case report	Sk.Riyaz Basha	International Journal of scientific development and reserch
10	Full mouth rehabilitation of completely edentulous patient using all on 4 technique -a case report	Nirban Mitra	International Journal of scientific development and reserch
11	Restorative Rehabilitation of a Patient With Tooth Wear: A one- Year clinical Follow -Up Report	Satheesh Simha Reddy	Cureus
12	Restorative Rehabilitation of a Patient With Tooth Wear: A one- Year clinical Follow -Up Report	Santoshi Kumari.V	Cureus
13	Restorative Rehabilitation of a Patient With Tooth Wear: A one- Year clinical Follow -Up Report	Sk.Riyaz Basha	Cureus
14	Restorative Rehabilitation of a Patient with Tooth Wear: A one- Year clinical Follow -Up Report	Nirban Mitra	Cureus

Recognized by Dental Council of India, New Delhi, Ministry of Health & Family Welfare Govt. of India.  
Affiliated to Kaloji Narayana Rao University of Health Sciences, Warangal, Telangana.

15	An In- vitro Evaluation of Retention Force of All PEEK, All Zirconia and Zirconia-PEEK Telescopic Attachment for Mandibular Overdentures	Nirban Mitra	Journal of pharmacy and Bioallied Science s
16	Combination therapy of antibiotics and platelet rich fibrin for apical closure: case series	Rajesh Kumar	International Journal of Clinical Pediatric Dentistry
17	Combination therapy of antibiotics and platelet – rich fibrin for apical closure: case series	Guru Ram	International Journal of Clinical Pediatric Dentistry
18	Class II division 2 correction with maxillary premolar extractions - a case report	Lakshmi Prasanna	International Journals of science & Engineering Development Research
19	Class II division 2 correction with maxillary premolar extractions - a case report	Chetan Kumar	International Journals of science & Engineering Development Research
20	Class II division 2 correction with maxillary premolar extractions - a case report	Saritha	International Journals of science & Engineering Development Research
21	Class II division 2 correction with maxillary premolar extractions - a case report	Visshishta	International Journals of science & Engineering Development Research
22	A Review of Basic Knowledge of HIV Infection for Orthodontic Management of HIV Patients	Saritha	Cureus
23	A Review of Basic Knowledge of HIV Infection for Orthodontic Management of HIV Patients	Visshishta	Cureus
24	Artificial Intelligence and Machine Learning in Periodontics	C Srikanth	International Journal of Scientific Development and Research
25	Artificial Intelligence and Machine Learning in Periodontics	P. Usha	International Journal of Scientific Development and Research
26	Optical Coherence Tomography – A Next Generation Diagnosis Imaging Tool in Periodontics and Oral Implantology	M Navya	International Journal of Scientific Development and Research
27	Expression of survivin in oral leukoplakia and oral lichen planus.	Lalitha C	Minerva Dental and Oral Science
28	Hypertonic Saline Use and Traditional Nasal Irrigation: A Possible Preventative Measure against COVID-19	Prashanth Panta	The Journal of Contemporary Dental Practice
29	Bite Marks: Indispensable Forensic Evidence	Kranti Kiran Reddy Ealla	Oral and Maxillofacial Pathology Journal
30	Comparative Evaluation of the Plaque and	Mangala	Medical Research Archives
