MINUTES OF MEETING

The convener scheduled the meeting for September 30, 2024, at 2 PM, with the aim of encouraging members to communicate the code of conduct to students. The committee reviewed the institution's code of conduct and discussed the roles and responsibilities of students, teachers, administrators, and non-teaching staff. The committee proposed enhanced surveillance on campus, in the library, and in hostels to prevent incidents of ragging. Additionally, the committee addressed the need to motivate students to utilize library services and evaluated student engagement with those services. They also discussed monitoring the annual strategic planning and induction program for new faculty members.

The meeting concluded on a positive note, noting that no significant issues had occurred on or off campus and that the front desk was effectively managing patient inquiries regarding lift availability.

The convener officially ended the meeting and thanked everyone for their participation.

Minutes of meeting

The Convener called a Code of Conduct Committee meeting on 08-01-2022 to discuss matters related to the duties of clinical students toward patients. The Chairman emphasized that utmost care must be taken to ensure all clinical undergraduate students adhere to ethical principles and requested the staff to regularly reinforce these guidelines.

The committee stressed that any violation of ethical principles toward patients would not be tolerated. It is the duty of the concerned staff to ensure that students learn, understand, and uphold these ethical standards, being responsible toward patients. To maintain academic integrity, the committee addressed the need for close monitoring of clinical record write-ups by students in the Departments of Oral Medicine and Radiology and Public Health Dentistry. The committee decided to motivate faculty to identify why each student was having trouble with their writing and find ways to overcome these issues.

Results of Previous Meeting: No outbreak of Covid-19 cases was reported on campus. The front desk, maintained by the Public Health Dentistry Department, conducted interviews with subjects attending for oral health care and directed patients based on their needs, helping to avoid high-risk cases.

Minutes of meeting

The Chairman informed the Convener that a Code of Conduct Committee meeting was required as soon as classes began for the academic year 2021. The Convener decided to hold the meeting on February 10, 2021, at 2:00 p.m. The committee members discussed the timetable needed to conduct the classes and the guidance the faculty should provide to the students, as they may be apprehensive about the course due to the six-month delay in the academic session caused by pandemic issues. In these uncertain times, the committee recommends that faculty closely monitor students and make efforts to prevent off-campus incidents related to student behavior.

The Convener summarized the actions taken with reference to the previous agenda and pointed out that no clusters of cases were reported as care was taken to screen the patients' requiring services. The Chairman congratulated everyone for maintaining the code of conduct in dealing with patients.

CODE OF CONDUCT COMMITTEE - Minutes of meeting

The convener scheduled the meeting for October 10, 2019, at 2:00 p.m., with the purpose of encouraging members to impart the code of conduct to students. The committee proposed strict surveillance in the campus, library and hostels to ensure that ragging does not occur. The committee also discussed about the motivation of students to utilize library services and the student's response in utilizing the library services. Additionally, students attending medical classes at the MRIMS should be closely monitored, and every effort should be made to ensure that they do so.

The senior students to be informed about the consequences of ragging in any form will attract strict punishment and need to be stressed about the penal code with reference to ragging.

The meeting came to an end with positive note that no uneventful issues happened on campus and off campus and the front desk was managing well with the patients with reference to lift availability.

The convener called for the end of the meeting and thanked everyone
