**MINUTES OF MEETING :**

1. Chairperson Dr Anita addressed the meeting and welcomed the members and introduced new members added to the committee.
2. The Coronavirus Disease 2019 (COVID-19) brought a unique opportunity to improve the Infection prevention and control(IPC) program in these hospitals.
3. The initial focus was to identify the deficiencies in existing IPC practices and perceive the opportunities for improvement. Repeated IPC training (induction and reinforce) to be conducted for the healthcare personnel (HCP) and practices to be monitored by direct observation and closed-circuit television.
4. Cleaning audits should be performed by visual inspection, review of the checklists and qualitative assessment of the viewpoints of the HCP to be carried out by the feedbacks received at the end of the training sessions.
5. Meeting was concluded with vote of thanks to the members. Chairperson made an earnest appeal to the members to share all vital issues discussed today in their respective departments.
